## **A Note from the President....**

Fall has arrived!

EESSC 's supported entry at the end of August was well attended, and the awards put together by Debbie Nadeau were beautiful, Thanks so much Debbie for coordinating this!

The largest EESSC fundraiser of the year was the Labor Day agility trial, which was a huge success! The trial filled on Saturday and Sunday and came close to filling on Monday. The participants in the trial were free with compliments for our well run trial. I would like again to thank all of the EESSC members who came out to help, your presence was very necessary and appreciated! I would like to especially thank our Awesome Agility Trial Chair, Sue Ellen Healy!!!

Please consider coming and helping out at the EESSC Agility Trial coming up in Amherst, NH in February, no knowledge of agility is needed.

Thanks again to all,

Pat Kearney

## **A Note of Thanks**

I would like to thank all of the Eastern members who attended and helped at our biggest fundraiser of the year - our Labor Day Agility Trials! We had two folks interested in becoming members there on Saturday and Monday to help as well!!! The judges and exhibitors all had a wonderful time and appreciated Eastern's hospitality.

We will be holding another trial on February 18th and 19th, 2017, at American K9 in Amherst, NH. We will need some members to be present and help at these trials.

Thank you again to all who helped at the September 3/4/5 trials!!!

Sue Ellen Healy

## **EESSC Futurity -- A Short Course**

The Eastern Futurity is one of few -- if not the only -- Futurity held for Springers. It is an old tradition and worthy of note. The Futurity year runs from **December 1 to November 30** each year. The year is timed that way so that the classes for ages of puppies works out appropriately for our Specialty show in June.

There are three steps to entering puppies in the Futurity at the EESSC specialty show. **First**, nominate a bitch prior to whelping for \$10 (or within 60 days after the puppies are whelped for \$15). Nomination forms are readily available from the Futurity Chair, on the EESSC.org website (where for a convenience fee you can enter using PayPal), and are often printed in the Newsletter. **Second**, enroll the puppies from the litter that you might want to enter in the futurity when the puppies are six months of age. The enrollment forms are sent to the breeder just prior to the litter's six-month birthday and the breeder has a one month window, after the litter's 6 month birthday, to return the forms to the Futurity Chair for a fee of \$5 per puppy. However, if for some reason you are late with enrollment, you will still able to enroll a puppy from a nominated litter up until May 1 for a fee of \$50. **Third**, enter the puppy in the Futurity for the June show -- on the entry form just indicate the Futurity class on the entry. The puppy must be entered in Regular classes as well.

**IT IS VERY IMPORTANT THAT YOU USE THE PROPER FORM** to enter your animals in the Futurity to ensure that all the proper information is given -- entries missing information will not be eligible. **Nominations and enrollments** will not be accepted on the telephone, fax, or by email -- however, questions about the Futurity are welcome by telephone, email or "snail mail." I hope that this synopsis has helped clarify this wonderful tradition. I look forward to working with all of you.
